Please look in your closets, your attics and your garage. Do you have new or gently used suitcases, duffel bags or back packs that your family no longer uses but are still in good condition? All bags must be clean. Rule of thumb – If you would let your child use it then please bring it to the reception area in PVD. Your Helping Hands and Green Team Committee will be sure it gets to Suitcases4Kids. To find out more about Suitcases4Kids check them out at ...
